ABOUT MOUNT ASSISI ACADEMY PRESCHOOL

Mount Assisi Academy Preschool, a sponsored ministry of the School Sisters of St. Francis, provides a kindergarten-readiness program for children 3 to 5 years of age, promoting Christian values based on Catholic philosophy and Franciscan ideals. A warm, loving, and caring atmosphere is provided in which each child is given the opportunity to experience social, physical and academic growth. Children are presented with the means to develop their potential through group experience, as well as individualized instruction. Developing a Christian attitude and the forming of a right conscience based on Catholic teachings are integral parts of our preschool program.

ABOUT MARIAN HALL HOME

At Marian Hall Home, residents find a personal care community that provides them with the quality care they need to remain as independent as possible. Private rooms, beautiful grounds and many opportunities for scheduled and unscheduled social activities – all offered in keeping with our Catholic heritage – make Marian Hall an excellent place to live. Marian Hall is state-licensed and has provided personal care services for the elderly since 1970.
